

PATRICIA GEA RODRIGUES

MOBILE / FRONTEND DEVELOPER - PRODUCT & UX BACKGROUND

SUMMARY

Mobile and Frontend Developer, with 17 years of previous experience as a business owner, where I built and managed 3 tattoo studios across Brazil and Sweden with a team of 20 people.

I bring hands-on experience in user experience, operations, problem solving, scalability, visual communication, product thinking, now applied to mobile and web development.

Currently studying at Hyper Island, I'm looking for an internship opportunity where I can contribute, learn, and continue growing as a developer.

PROJECTS

1) Booking System with Login

Full-stack booking platform with secure authentication using JWT and Google OAuth, plus conflict-aware scheduling and validation. Built with React, Vite, Node.js, Express, and MongoDB, including automated email confirmations and cloud deployment.
